6. Indicate location of wells, septic systems, and overhead electric wires.
7. Draw NORTH arrow.
8. Indicate SCALE in feet.

WILL THIS PROJECT DISTURB MORE THAN ONE (1) ACRE OF LAND?       Yes       No

## INSTRUCTIONS

The owner, builder or agents shall complete the application form down through the Signature of Applicant block and submit it and building plans and specifications to the Code Enforcement Office. Permit application data is used for assessment purposes, statistical gathering, and for zoning and code administration. Please DO NOT write in the sections marked "Office Use Only".

- PAGE 1** This page relates to general information regarding the existing or proposed property / building.
- Fill in all blanks. If certain information is not available or not applicable, write "NA" in the space provided.
  - Estimated Cost – include the total cost of construction, including materials and market rate labor, but not the cost of land.
  - Fill in the owner's current Mailing Address and Telephone Number
- PAGE 2** This page provides more specific information regarding the actual work being done.
- Check off the Type of Proposed Work. If more than one type of work is involved, check all types that apply.
  - Check off whether the work is NEW, REPLACEMENT, or REPAIR.
  - Provide a brief description of each of the work that will be done. You may attach a contractor's estimate or other more detailed description. The last page of the application packet has a Building Cross Section that may be completed for some projects.
  - **If this project involves the demolition of a multi-family or commercial / industrial structure built prior to 1974, an Asbestos Survey must be submitted with this application in compliance with NYS Labor Law.**
  - **If renovation activities will disturb more than two (2) square feet of painted surfaces in a residential structure built prior to 1978, the contractor or landlord shall provide a lead based paint disclosure to the occupants in compliance with Federal law.**
  - If the building project involves a commercial, industrial or multi-family (3+family) building, a Commercial Building Permit Application Attachment must be submitted. The attachment is available upon request.
- PAGE 3** This page can be used to draw a plot plan. You may submit a separate plot plan if you wish (an example plot plan is provided in the application packet). Check the box YES or NO depending on whether the project will disturb more than one (1) acre of land. **If the project will disturb more than one (1) acre of land, additional erosion control and storm water provisions will apply.**
- PAGE 4** (This page) Instructions for completing this Application, Permit Conditions.
- PAGE 5** Information regarding New York State Workers Compensation & Disability Insurance requirements. **Permit applicants shall submit proof of Workers Compensation & Disability Insurance coverage, or exemption.**
- PAGE 6** Insurance and Environmental Certifications

## PERMIT CONDITIONS

---

- 1. APPROVED PLANS, WITH COMMENTS, MUST BE MAINTAINED ON THE JOB UNTIL THE FINAL INSPECTION HAS BEEN MADE. NO BUILDING SHALL BE OCCUPIED UNTIL ALL REQUIRED FINAL AND OCCUPANCY INSPECTIONS HAVE BEEN MADE WHERE APPLICABLE. NO INSPECTION WILL BE MADE WITHOUT APPROVED PLANS ON THE JOB SITE.**
2. This permit conveys no right to occupy any street, alley or sidewalk or any part thereof, either temporarily or permanently. Encroachments on public property not specifically permitted under the building code, must be approved by the authority having jurisdiction. Construction dumpsters must be placed on private property unless approval has been obtained from the authority having jurisdiction for a dumpster in the public right-of-way.
3. The applicant, owner, and / or operator of the property address under this permit, hereby consent to all necessary inspections made by the Code Enforcement Office. The Code Enforcement Office reserves the right to reject any work which has been concealed or completed without first having been inspected and approved. Any deviation from the approved plans must be authorized by the approval of revised plans. This revision approval must be obtained prior to the proposed changes being made in the field.
4. Permits become invalid if construction work is not started within six months from the date the permit is issued, and expire eighteen months from the date the permit is issued.
5. This permit does not relieve the owners, or any person in possession or control of the building, from obtaining such other permits or licenses as may be prescribed by law. Approval of application and issuance of a building permit does not supersede any restrictive covenants.
6. Approval of this permit SHALL NOT necessarily mean that these plans or specifications are in full compliance with the Zoning Law, the New York State Uniform Fire Prevention & Building Code and other laws or regulations. The ARCHITECT / ENGINEER / DESIGNER is charged with responsibility for the

compliance of the plans with the Building Code and other laws and regulations. Issuance of a permit does not constitute a waiver or variance from any law or regulation governing this construction.

LAWS OF NEW YORK, 1998  
CHAPTER 439

The general municipal law is amended by adding a new section 125 to read as follows:

**125. ISSUANCE OF BUILDING PERMITS. NO CITY, TOWN OR VILLAGE SHALL ISSUE A BUILDING PERMIT WITHOUT OBTAINING FROM THE PERMIT APPLICANT EITHER:**

**1. PROOF DULY SUBSCRIBED THAT WORKERS' COMPENSATION INSURANCE AND DISABILITY BENEFITS COVERAGE ISSUED BY AN INSURANCE CARRIER IN A FORM SATISFACTORY TO THE CHAIR OF THE WORKERS' COMPENSATION BOARD AS PROVIDED FOR IN SECTION FIFTY-SEVEN OF THE WORKERS' COMPENSATION LAW IS EFFECTIVE; OR**

**2. AN AFFIDAVIT THAT SUCH PERMIT APPLICANT HAS NOT ENGAGED AN EMPLOYER OR ANY EMPLOYEES AS THOSE TERMS ARE DEFINED IN SECTION TWO OF THE WORKERS' COMPENSATION LAW TO PERFORM WORK RELATING TO SUCH BUILDING PERMIT.**

Implementing Section 125 of the General Municipal Law

**1. General Contractors – Business Owners and Certain Homeowners**

For Businesses and certain homeowners listed as the general contractors on building permits, proof that they are in compliance with Section 57 of the Workers' Compensation Law (WCL) is ONE of the following forms that indicate that they are:

- insured (C-105.2 or U-26.3),
- self-insured (SI-12), or
- are exempt (CE-200),

under the mandatory coverage provisions of the WCL. Any residence that is not a 1, 2, 3 or 4-family, owner-occupied residence is considered a business (income or potential income property) and must prove compliance by filing one of the above forms.

NOTE: Effective Dec. 1, 2008 exemptions are no longer valid for multiple permits or licenses for which the applicant applies. Form CE-200 can be processed electronically. Applicants are able to fill out the CE-200 form on-line and upon completion, print out a copy that they can submit to the Code Enforcement Office. Computers with internet access are available for CE-200 electronic application processing at Customer Service Centers located in Workers' Compensation Board District Offices across the state. Applicants without access to a computer may obtain a paper application by writing or visiting any Workers' Compensation Board district office.

**2. Owner-Occupied Residences**

For homeowners of a 1, 2, 3 or 4-family, owner-occupied residence, proof of their exemption from the mandatory coverage provisions of the WCL when applying for a building permit is to file form BP-1 (attached).

NOTE: Form BP-1 is the only form that municipal agencies may now reproduce themselves and distribute.

An instruction manual that clarifies the above requirements is available at:

<http://www.wcb.state.ny.us/content/main/Employers/IM.pdf>
